## Skill Highlights

- Project management
- Decision making
- Problem solving
- Self-taught and proactive
- Innovative
- Service-oriented

## Experiencia

**Full Stack Developer** - 2/2023 to present.  
**Stefanini Group**, El Salvador

I am a Full Stack developer, I played an integral role at Banco Agrícola del Salvador, contributing to both the successful migration of the credit card module and the development of new banking solutions. Leveraging technologies such as Angular, Java, SQL Server, and Kubernetes, I closely collaborated with the team to implement efficient and scalable solutions within the Azure DevOps environment. Additionally, my experience in handling unit tests ensured the quality and reliability of our applications.

**Desarrollador Senior** - 12/2020 to 2/2023  
**Banco FICENSA**, Honduras

Bank application solutions, such as new requirements to improve the development of applications. Developer tools: java, JavaScript and DB2 (SQL), SQL Server, Microservices with Docker, and Kubernetes.

**Desarrollador de Software** - 01/2019 to 12/2020  
**Banco Atlántida**, Honduras

Migration of the new SAP banking core through microservices for communication with channels such as online banking, ATMs, etc., using tools like Java, Docker, and Kubernetes.

**IT Developer** - 04/2018 to 01/2019  
**HLG USAID**, Honduras

Development solutions to collect information and display it graphically for decision making. Development tools: JavaScript, PHP, MySQL. Presentation of information with Tableau.

## Education

Bachelor of Science: **Computer Information Systems** – 2018 (Cum Laude)  
**Universidad Nacional Autónoma de Honduras**, HN
